FELIZ DIA DE LA INDEPENDENCIA

16 DE SEPTIEMBRE DÍA DE LA INDEPENDENCIA

MEXICO

mercice

The image features the word "mercice" in a highly stylized, black calligraphic font. The letters are thick and rounded, with elegant, sweeping flourishes extending from the top and bottom. The word is surrounded by decorative elements: several small, five-petaled flowers, some solid black and some with white centers, are scattered around the text. There are also various curved lines, teardrop shapes, and small circles that contribute to a whimsical and celebratory aesthetic. The entire composition is set against a plain white background.

VIVA
MEXICO

The image features the words "VIVA MEXICO" in a bold, black, calligraphic font. The word "VIVA" is positioned above "MEXICO". The letters are thick and have a hand-drawn, expressive quality. The word "VIVA" is slightly arched, while "MEXICO" is more horizontal. There are several decorative elements: a starburst shape above the 'V' in "VIVA", a small leaf-like shape to the left of the 'V', a larger leaf-like shape below the 'M', and a wavy line below the 'O' in "MEXICO". The entire design is set against a plain white background.

**Revolución
MEXICANA**

The image features the text "Revolución Mexicana" in a stylized, hand-drawn font. The word "Revolución" is written in a cursive script, while "MEXICANA" is in a bold, sans-serif font. The text is framed by decorative elements: two pairs of leaves on the left and right sides, and a central floral motif consisting of two curved petals and a central dot, appearing twice (once above and once below the text).

VIVA!
LA
PATRIA

A stylized graphic design in black ink on a white background. The text "VIVA!" is at the top in a bold, sans-serif font, with decorative leaf-like shapes on either side. Below it, the word "LA" is centered in a smaller, similar font, flanked by two leafy branches. The word "PATRIA" is at the bottom in a large, bold, sans-serif font, with decorative stars on either side and a large, flowing underline underneath. Two solid black dots are positioned on the left and right sides, between the "LA" and "PATRIA" lines.
